The Pendleton Foundation Trust was created in 1928. It has now served the Pendleton community for 83 years, giving back over \$3,000,000 to Pendleton projects and organizations.

In nominating the Pendleton Foundation for the Outstanding Philanthropic Foundation award, St. Anthony Hospital Foundation Executive Director Scott Palmer stated, "Over the years, the Pendleton Foundation Trust has earned both the respect and trust of the community it serves."

In presenting the award to the Pendleton Foundation, Pendleton attorney Steve Corey said, "There is hardly a community program or a community facility that has not been touched in one fashion or another by the Pendleton Foundation."

In support of the Award, City Manager Larry Lehman stated, "Our community is a far better place to live and raise families today because of the many contributions the Pendleton Foundation has made."

The mission of the Pendleton Foundation Trust is a dedication to making Pendleton a better place to live. With your continued support, the Foundation will continue to help Pendleton citizens enjoy our community. It is "Pendleton People helping Pendleton People."

Thank you again for making the Pendleton Foundation Trust the 2011 Outstanding Philanthropic Foundation in the State of Oregon.
