Why the Let 'er Duck Scholarship?

The University of Oregon Alumni Association, Let 'er Duck Chapter has developed this scholarship program with the commitment of supporting Eastern Oregon students at the U of O in our own way. We started this Chapter in 2009, with a dream and limited donations. It began at the Let 'er Duck breakfast during the Pendleton Round Up with individuals contributing what they could and has grown every year. Our goal is to help students originating from Umatilla, Morrow, Union or Wallowa counties. The Wildhorse Foundation gave the Chapter a grant for seed money and we gave out our first scholarship in 2010.

This year we hope to give out two \$500 scholarships.

We feel strongly that the education you will receive at the University of Oregon will serve you well in life and we want to encourage you in your continued success in education. Distribution of the awards will take place at the end of September so that you can have it in time to go to the U of O for Fall term.

Visit www.pendletonfoundationtrust.com for a copy of the application and for additional information.

Please feel free to contact me with questions.

Go Ducks!
